Handwritten text on a whiteboard, including the title "The Heart is the Head" and several lines of text.

1. Here is the head that is broken to you  
Here is the eye that is broken to you  
This is the last I have given to you  
For this and that is broken to you

2. Take it and eat. Take it and eat  
Take it and drink. Take it and drink  
For this is the last I have given to you  
For this and that is broken to you

3. Here is the head that is broken to you  
Here is the eye that is broken to you  
This is the last I have given to you  
For this and that is broken to you

4. If you eat you will hunger no more  
If you drink you will thirst no more  
For this is the last I have given to you  
For this and that is broken to you
