

# SUNDAY SCHOOL 2018-2019

**All ages are WELCOME!**  
(nursery available 0-3 yrs)

***New Sunday School classes begin at 9:30 am. Children join their families in church, then proceed to classes after the announcements. Children return to church right before Holy Communion and share what they learned with the community.***

**WHAT IS  
LIVING THE  
GOOD  
NEWS?**

Living the Good News is a Christian, youth education curriculum that is lectionary-based. Both parents and children will hear and learn about the same scripture lessons offered in Sunday's sermon. We encourage parents and children to discuss at home, what they learned in church!
