Know the face but what's the name?

Instant Church Directory is the free online app that we use here at St. Monica's to build & maintain the directory.

Download & access *this free app* on any smart device by scanning the QR Code provided below.

As a member, you can provide all the information you want to share with fellow members to include uploading a photo of yourself or your family. You can search for other members, view their photos that they've uploaded, call, email & even text right from the app. If you moved, or your number changed, just log in & update it in an instant!

To start using this really neat app, simply email Laura, the Parish Administrator & ask her to add your email to the database if it's not already in there & download the app. Once Laura has your email added within the system, the rest is in your control; just be sure to follow the on screen prompts to setup your account. Once set up, the directory will be at your fingertips anytime you need it.

We will start asking simple, but fun bible question on our facebook page sometime during the week to have you, your family & friends to answer. We will drop a "Hint" and this will allow you to find the answer in the Bible. This is a simple, but fun way to open our bibles, discover something new or remind us of a story we once heard. Share this with the people you know & have fun with it!

THIS WEEKS QUESTION:

After Jesus rebuked the wind and said to the sea, "Peace be still", what happened?
