TREASURE'S REPORT - JUNE 2022

We are so grateful for the generous gifts that our parishioners offer as we work to be a place where Christ's light shines.

In my last Treasurer's report, I mentioned important projects that are pending that are the result of our physical plant being about 25 years old. These projects cost over \$100,000 and include air conditioning, new hurricane door to replace doors that are falling out of their frames, parking maintenance and repairs, and sidewalk repairs to reduce tripping hazards.

Your Vestry has deliberated this situation seriously and we will soon launch fundraising efforts to rebuild the foundation of St. Monica's. These fundraising efforts will begin in the Fall and will pay for improvements to the buildings and build reserves.

Our Finance Committee is also working with our Diocese to restructure our mortgage for more favorable terms to help us meet our goals and to help with seasonal cash flow. Please be assured that St. Monica's is able to cover our immediate expenses and is in no immediate danger. Rather, we are working to be in the best financial position as we continue to grow in membership and in ministry to the community.

Consider a Gift of Retirement Assets!

Retirement assets can be the best gift for a donor to leave.

- ◆ A tax-efficient planned gift: Qualified retirement accounts are subject to income tax when received by your heirs. If left to heirs, federal income taxes and estate taxes can erode a sizable amount of this asset. As a nonprofit organization, St. Monica's does not pay any federal income tax or estate tax on the distribution of this asset.
- ◆ Higher value assets to heirs: Leave to your heirs a wide range of other assets that are not subject to income tax.
- ◆ Simple set-up: a simple form is all you need. While no attorney needs to be involved, it is practical to touch base with your professional advisors for their counsel.
- ◆ During your lifetime, you continue to use and receive distributions from your retirement accounts.
- ◆ Flexibility: If your circumstances change, you may easily change the beneficiary designations at any time.
