Sara Del Castillo, Soprano

Alexis Lang, Mezzo-Soprano

Sam Eash, Bass

Along with Dr. Doiron, they will be leaving immediately after church for the week-long Sewanee Episcopal Church Music Conference at the University of the South in Sewanee, Tennessee (July 11-17). This yearly event is the oldest church music conference in the United States and is limited to 135 participants. The University of the South is owned by 26 Episcopal Dioceses - the only full liberal arts University owned by the Episcopal Church in the United States. Generous benefactors from St. Monica's and the community at large have provided scholarship funds covering the costs for the students. We wish them safe travels and many hours of musical inspiration!

Consider a Gift of Retirement Assets!

Retirement assets can be the best gift for a donor to leave.

- ◆ A tax-efficient planned gift: Qualified retirement accounts are subject to income tax when received by your heirs. If left to heirs, federal income taxes and estate taxes can erode a sizable amount of this asset. As a nonprofit organization, St. Monica's does not pay any federal income tax or estate tax on the distribution of this asset.
- ◆ Higher value assets to heirs: Leave to your heirs a wide range of other assets that are not subject to income tax.
- ◆ Simple set-up: a simple form is all you need. While no attorney needs to be involved, it is practical to touch base with your professional advisors for their counsel.
- ◆ During your lifetime, you continue to use and receive distributions from your retirement accounts.
- ◆ Flexibility: If your circumstances change, you may easily change the beneficiary designations at any time.
