Consider a Gift of Retirement Assets!

Retirement assets can be the best gift for a donor to leave.

- ◆ A tax-efficient planned gift: Qualified retirement accounts are subject to income tax when received by your heirs. If left to heirs, federal income taxes and estate taxes can erode a sizable amount of this asset. As a nonprofit organization, St. Monica's does not pay any federal income tax or estate tax on the distribution of this asset.
- ◆ Higher value assets to heirs: Leave to your heirs a wide range of other assets that are not subject to income tax.
- ◆ Simple set-up: a simple form is all you need. While no attorney needs to be involved, it is practical to touch base with your professional advisors for their counsel.
- ◆ During your lifetime, you continue to use and receive distributions from your retirement accounts.
- ◆ Flexibility: If your circumstances change, you may easily change the beneficiary designations at any time.
