LIFE LINE SCREENING COMING IN JULY

A Life Line Screening event for stroke and heart disease prevention is being hosted here at St. Monica's on Monday, July 12th. Do you know someone who has either had a stroke or been directly impacted by a family member or loved one that had a stroke?

FACT: Stroke is a leading cause of death, affecting over 750,000 people each year.

FACT: In America every 45 seconds, someone suffers a stroke and every 3 minutes, someone dies from one. This means that during the next 45 minutes, approximately 15 people in the United States will have died due to a stroke.

FACT: Although stroke can be a life threatening and life changing event, 80% of strokes are preventable, according to the National Stroke Association.

The Stroke, Vascular and Heart Rhythm package includes four screenings: carotid artery, abdominal aortic aneurysm, peripheral arterial disease and atrial fibrillation for \$139. You can sign up for these screenings and receive \$10 off by calling (888) 653-6450, or by visiting www.lifelinescreening.com/communitycircle, or texting the word circle to 797979.
